CIRCULAR

Roc.No.282894/2020/B2,

08/01/2021

Sub:- C&DMA – Installation of capacitors to the motors for reducing
the electricity usage in the Urban Local Bodies - Certain
instructions Issued- Reg.

The attention of all the Municipal Commissioners of Municipalities/Municipal Corporations (except GHMC) in the State are invited to the subject cited and are informed that it has come to the notice of the undersigned that the Urban Local Bodies are paying penalties on Electricity bill for water motors as they are failing to maintain requisite Power factor which are running at very low efficiency (about 50-60% only).

2. In this regard, the Municipal Commissioners of all Municipalities/Municipal Corporations (except GHMC) in the State are hereby instructed to install capacitors to motors which will bring in efficiency by reducing the electricity usage and also avoid penalty in the Urban Local Bodies.

3. Therefore, the Municipal Commissioners are instructed to check the feasibility of installation of capacitors to the water pumping motors, so as to improve the efficiency of the motors and reduce the usage of electricity.

4. This is to be treated on "**Top Priority**".
